Concrete & Asphalt ▶ **C71**

The Clipper C71 is a compact and economical floor saw, for wet or dry cutting of asphalt or concrete. The outstanding cutting performance is obtained by the optimal weight distribution. The positioning of the 20 liter water tank adds weight onto the blade while maintaining an excellent view of the cutting operation. By means of a hand wheel the operator can adjust the

cutting depth, indicated by a gauge. The handle is adjustable to the operator height. Vibration is kept to a minimum with the heavy duty frame of the C71 which will extend the machine life and add comfort to the operator. The best performance is obtained with genuine Norton dry or wet cutting blades.

clipper

Concrete & Asphalt ▶ C71

Features

- ▶ Continuous depth control with a hand wheel. The depth is indicated by a gauge.
- ▶ Easy to service 4 belt drive.
- ▶ Cutting depth up to 140 mm.
- ▶ Removable 20 liter polyurethane water tank with large opening for filling.
- ▶ Easy adjustable handle to the size of the operator.
- ▶ Rigid front pointer allowing operator to maintain a straight and accurate cut along his guideline.
- ▶ Vibration reduced by heavy duty frame.
- ▶ Optimal weight distribution results in outstanding cutting performance.
- ▶ Shaft locking device for easy blade removing.
- ▶ Lifting hook in the center of gravity of the floor saw.
- ▶ Easy access to the fuel tank.
- ▶ All necessary tools stored on the machine.
- ▶ Rear wheels and blade shaft bearings equipped with grease nipples.
- ▶ Rear wheels in recess from the cut and permits to cut in parallel of an open trench.
- ▶ Heavy duty pillow block bearings on 30mm shaft.

Specifications

Model

Honda GX390	13 HP (9.6 kW)
Lead-free petrol	4 stroke engine, 1 cylinder

Characteristics

Max. blade diameter ø	400 mm
Max. depth of cut	140 mm
Bore ø	25,4 mm
Blade shaft speed	2858 rpm
V-Belts	4
Sound pressure	88 dB(A)
Sound power	105 dB(A)
Water capacity	20 L

Dimensions / Weight

Length (working)	1425 mm
Length (transport)	925 mm
Width	535 mm
Height	950 mm
Weight (kg)	92 kg

Ergonomic working condition.

Easy blade mounting.

Depth gauge control.
Lifting hook.

Designed for use with Clipper wet or dry cutting Diamond blades..
