

Power Carriers –

Taking the strain out of carrying

Saving time and labour, the Honda Power Carrier is reassuringly safe and easy to operate, ideal for any application where the muscle to move heavy items is required.

Applications are endless but can include construction, DIY, agriculture, landscape gardening, trackside, footpath or stonewall maintenance. The Power Carrier is an ideal method to help reduce work-related injuries.

Quality guarantee

domestic use

commercial use

The HP range comes with a cast iron two year warranty for domestic use, or 12 months warranty for commercial use, covering both parts and labour.
